

High Class Reunions

Serving Northern California since 1988.

On behalf of the staff of High Class Reunions, we would like to take the time to introduce ourselves. We would appreciate the opportunity to assist you in planning and coordinating your class reunion. The following information will give you an idea of what High Class Reunions can offer your class.

As you are probably aware, organizing your reunion takes a great deal of time. In the months ahead, you will be spending most of your time in getting it all together.

The committee will be faced with the decisions that will affect all aspects of the reunion; you will want to consider all of the hopes and expectations of your alumni. You will need to find a suitable location, choose the entertainment, decide on a menu, design and send the invitations, and staff the event. Probably the most important aspect of planning your reunion is the location of hundreds of graduates who now may be located anywhere in the world. Using sophisticated methods, High Class Reunions is not only able to locate the majority of your alumni, and by contacting each person individually you can expect an excellent turnout. Once the alumni have been located, you will need to be able to keep track of their addresses, phone numbers, reservations, and other pertinent information. High Class Reunions is entirely automated, enabling us to keep track of your classmates, not only for your current reunion but for future reunions as well.

You will find numerous costs associated with organizing the reunion. The costs can be substantial and are almost always absorbed by you, the Reunion Committee. We handle all of these costs, which leaves you with no out of pocket expenses.

In working with High Class Reunions, you will find that you can relax, knowing that we are performing the work, to your expectations. Organizing reunions is our only business so you can be assured of the best reunion possible.

We are a charter member of NARM (National Association of Reunion Managers). NARM is an association of professional reunion managers which adhere to strict industry standards and a code of ethics to ensure the highest quality of service.
